

Ocean Bay Chapter SDC

2010 NORTHEAST ZONE MEET

2010 Northeast Zone Meet Update

Time is moving right along! If you have not already made your reservations at the Sturbridge Host Hotel you better start thinking about it, the cut off date for reservations is July 29th and before you know it that date will sneak up on you and

you will be left out in the cold. Also please make your Zone Meet registration as soon as possible, remember for Ocean Bay to better plan for this event we need early registrations. It is very difficult to plan an event of this size if we do not have a good estimate on the number of people and cars that are going to show up. I know many of you do not like to make plans for a car show until you know what the weather is going to be, please again, for the success of a great 2010 Northeast Zone Meet plan ahead and make both hotel and show registrations today!

This year Ocean Bay will be hosting a hospitality room in the Presidential Suite at the back side of the hotel on the lake. There will be an outside patio with a large gas-fired fire pit for your enjoyment. You will be able to pick up your pre-register packet at the hospitality suite as well as enjoying some refreshments and drinks.

We are still looking for judges in the Pre-War and the Avanti classes. This is not as difficult as you may think. When you break down the judging sheet amongst three or four

judges in each division, it becomes quite simple and you will always have a head judge to help you out, so please give some serious consideration to becoming a judge, it is very enlightening!

At the March Business Meeting we approved a new trophy to replace the Wilton Armetale pewter plates Ocean Bay has given out in the past. The new trophies will be a genuine red alder wood plaque laser engraved with Ocean Bay's logo, from "The Right Impression" this is the company that has done our Octoberfest trophies for years and is the trophy company for all the SDC National Meets.

Studebaker Drivers Club

NORTHEAST ZONE MEET SPONSORSHIP

Ocean Bay needs your help! We are actively soliciting sponsors to help subsidize the cost of trophies for the 2010 Studebaker Drivers Club's Northeast Zone Meet to be held August 20 - 22, 2010, in Sturbridge Massachusetts.

SPONSOR: A sponsorship is \$45.00 which will cover the cost of a set of trophies (first, second and third) per class. In appreciation of your donation, Ocean Bay will place an approximate 3" x 4" ad in the Zone Meet Booklet. This ad may be of your business card or a camera-ready artwork. The booklets will be distributed to all attendees of the Zone Meet.

GRAND SPONSOR: If you wish to sponsor more than one class, we will run a half page ad of your choice in the booklet.

Make checks payable to:
Ocean Bay Chapter SDC

RULES & REGULATIONS

General Registration must be paid in addition to any event.

You may choose your own class in which you wish to be entered in, select the appropriate class from the list Concours Classes for the 2010 Northeast Zone Meet. If no class is filled in you will be assigned to the appropriate class.

Ocean Bay Judging Committees reserve the right to expand or combine classes on the day of the show based on attendance.

Cars for display only, that are not being judged or are not For Sale may be displayed on the Concours Field with only the General Registration fee.

All vehicles related to Studebaker, i.e. Pierce Arrow, Packard, Zip Vans etc., will be judged with the equivalent Studebaker in regards to year and body style. Display Vehicles will share the same field as the vehicles to be judged. They will be displayed with their division and will have a windshield card informing the Judges that it is a "Display Only" vehicle.

Trailer and driven vehicles are to be judged together by the same standards.

Please take a close look at these Concours Classes, these are new this year and more in line with the new National rules and regulations for these classes.

Please Note that Ocean Bay has revised the Judging Classes. We have broken the classes down into divisions that match the National Judging Classes but have condensed the classes to be more accommodating to the size of a Zone Meet. We hope in doing this we will entice more members to show their vehicles.

Ocean Bay Chapter SDC reserves the right to add or delete from all classes as necessary.

There will be three trophies per class, "First", "Second" and "Third", "Best of Division – Pre-War", "Best of Division – Post War", "Best of Division – Avanti", "Best of Show – SDC Northeast Zone Meet", "Longest Distance" and "Hard Luck"
